The Filipino Nurses Hymn

*We pledge our lives to aid the sick
To help and serve all those in need
To build a better nation that is healthy and great
We'll bring relief to every place
In towns and upland terraces
In plains in hills and mountains
We shall tend all those in pain
Beneath the sun or stormy weather
We shall travel on
To heed the call that we must be there
With our tender care
We pray the Lord to guide our way to carry on our work each day
And grant us grace to serve the sick and love to help the weak.¹*

Introduction

“We owe it to [the Filipino nurses] because they have served their community and leave their country where there is a nursing shortage and hospitals are shutting down to help this country. There are deeper issues that need to be looked at...the healthcare situation in the U.S. hurts the Philippines.” Chito Quijano, Organizer, California Nurses Association
