

This worksheet scaffolds the writing process by cueing next steps with questions and reminders. It can be adapted for writing a simple paragraph or a longer piece.

1. _____ : what is the assignment asking you to do?

2. _____ : who are you writing for?

3. _____ : what is your topic in response to this assignment?

4. _____ : what do you know about your topic? What key words come to mind when thinking about this assignment?

5. _____ : tell about your focused topic in sentences without censoring or worrying about grammar, vocabulary, spelling, or punctuation.

6. _____ : what is a point you can make about your focused topic?
Write your point (main idea)O
